My happiness is in You alone

-----

G D/F#  
A marvelous love You have placed in my heart

For the faithful who dwell in the land  
G D/F#  
For sorrows increase for the ones who will keep  
Em7 D/F# G Gadd2  
Chasing gods with whom I'll never stand  
**REFRAIN**

O Lord, You alone are my portion and cup  
All I treasure is You, O my God  
The lot that is mine is my perfect delight  
A most welcome inheritance, Lord

The Lord I will bless for the counsel He gives  
Still at night time He's guiding my heart  
I keep Him in sight, at my right hand so I  
Shall be able to stand on my guard

### REFRAIN

My heart will rejoice, and my soul will be glad  
And my body will even be saved  
For You will not leave my soul in the grave  
Your beloved shall not see decay

You've opened my eyes to the pathway of life  
In Your presence is fullness of joy  
For at Your right hand, I know I shall have  
That happiness forevermore
