-----

A Fadd2/A A  
Hear a just cause, O Lord  
G D/F# Asus A  
Attend unto my cry  
A Fadd2/A A  
Turn Your ear to my prayer  
G D/F# Asus A  
From lips free of deceit  
C D2add4 A  
O let my judgment come from You  
C D2add4 Esus E  
You who discern what is right

Search my heart in the night  
And find in me no wrong  
By Your Word I avoid  
The ways of violent men  
My steps have held firm to Your paths  
See how my feet have not slipped  
**REFRAIN**

I will call upon You  
O God, You'll answer me  
Turn Your ear to my words  
And show me Your steadfast love  
O Savior of the ones who seek  
Salvation at Your right hand

Deadly foes now surround  
With hearts closed against me  
Their mouths speaking with pride  
Their eyes set to cast down  
Eager to tear me like a lion  
Like a young lion on the prowl

Rise, O Lord, and confront  
And save me by Your sword  
From the men of this world  
Whose portion is in this life  
Their bellies filled up with treasure  
Leaving their wealth to their sons

## REFRAIN

*(Bridge repeated 4 times)*

A C  
As for me I shall see Your face  
G A  
Your likeness when I awake
