

Psalm 4: God Of My Righteousness

D G2
 Answer me when I call,
 A7sus D D/F#
 O God of my righteousness
 G2 F#m7
 Relieve me in my distress
 C Em
 Be gracious and hear my prayers
 A7sus D G2
 God of my righteousness
 D f# g A7sus A7
 God of my righteousness

Be angry, but do not sin; reflect in your heart
 In bed be silent, then offer right sacrifice
 And put your trust in the Lord
 While they say "Let us see good"
 O Lord, lift up Your shining face on us
REFRAIN

O Lord, You've given to me more joy in my heart
 Then when their grain and their wine increase and abound
 In peace I will both lie down
 And sleep for You, Lord, alone
 Enable me in safety to abide
REFRAIN

 Bm Bm/A G2 F#m
 O men, how long will my honor suffer from shame?
 Bm Bm/A G2
 How long will you love vain words and seek empty lies?
 D/F# Em7 D/F#
 But know the Lord sets apart
 G2 D/F#
 the godly man for Himself
 Em C A7sus A7
 The Lord will hear me when I call to Him
REFRAIN

God of my righteousness
 God of my righteousness
