REFRAIN

Through the greatness of Your steadfast love
I will come into Your house
Towards Your holy temple I will face
And with reverence bow down
In Your righteousness, Lord, lead me
Make Your way before me straight

REFRAIN

In Your refuge may all rejoice in You
Let them ever sing for joy
Lord, defend the ones who love Your name
So they may exalt in You
You, O Lord, will bless the righteous
With Your favor as their shield

Give ear to my words, O Lord
(repeat as desired to end)
