Em D2 C2 D2  
 Reprove me not in Your anger, Lord  
 Em D2 G B7  
 Nor chastise me in Your rage  
 Em D2 C2 D2  
 Have mercy, Lord, in compassion heal  
 Em D2 Em add2  
 Both soul and body in pain  
 Am Em  
 For in death who will remember You?  
 Am7 C B7  
 In the grave who'll sing Your praise?

---

Em G C Em  
 How long, O Lord, how long O Lord?  
 Em G C Em  
 Return to save my weary soul  
 Am7 Bm C  
 Come and rescue me in Your mercy  
 Dadd2 Em G C Em  
 and Your love

---

My strength dries up with my groaning heart  
 My pillow's drenched with my tears  
 I grieve and weep 'til my eyes grow dim  
 From lifelong battles and fears  
 For in death who will remember You?  
 In the grave who'll sing Your praise?  
**REFRAIN**

Leave me at once all you evil ones  
 The Lord has heard me weep  
 Since He receives my pleading prayers  
 My foes all sound the retreat  
 For in death who will remember You?  
 In the grave who'll sing Your praise?  
**REFRAIN x2**

Am7 Bm C  
 Come and rescue me in Your mercy

 and Your love
