

He Died For Me

Intro: See instructions below*

G A7/G C/G G C/G
Wandering, bewildered by this wilderness of sin
G A7/G C/G G
Lost and lonely, there was only One who'd take me in
C Cm G/B A7
Days of sorrow, years of shame was all I had to give

 G A7
Yet He died for me, O can it be
 C Dadd4 G (That "D" is just a C chord slid up 2 frets)
His blood has paid the price
 G A7
Laid on the line His life for mine
 C Dadd4 G (same weird D chord there too)
Love's greatest sacrifice

(same chords throughout rest of song)

I could spend eternity just trying to repay
And still I'd be indebted for the sacrifice He made
Heaps of silver, mounds of gold could never buy my peace

So He died for me, O can it be
His blood has paid the price
Laid on the line His life for mine
Love's greatest sacrifice

Now I want to live for Him who died for me that day
Pure devotion, life's ambition following His way
I would never dream of leaving Christ, my dearest Friend

Because He died for me, O now I see
His blood has paid the price
Laid on the line His life for mine
Love's greatest sacrifice

* FOR THE INTRO: You play a G chord, then while holding down the low G note there's that little descending phrase of three chords. Those chords (apart from the low G note that you hold down throughout) consist of two notes each. (b string first fret/ d string first fret; then b string open/d string open; then g string 2nd fret/ a string 3rd fret) Then a G chord again. **PLAY THE WHOLE THING TWICE AND YOU'VE GOT THE INTRO**
