

Private Temple

Intro: E F#m7add4 E/G# A2 Bsus A/C# E (with Esus trill) (2x)

E F#m7add4 E/G# A2
There's a gentle stirring in my heart today
Bsus A/C# E (Esus trill)
As I hear Him say, Seek My face
E F#m7add4 E/G# A2
And my soul is is restless 'til I've made my mind
Bsus A/C# E (Esus trill)
I will seek to find a quiet place
C#m AM7 F#m Bsus E
So close the door, it's just me and my Lord
C#m AM7 F#m7add4
And there's just one thing left to do
E F#m7add4 E/G# A2
I will meet my Maker, I will bend my knee
Bsus A/C# E (Esus trill)
In this private temple built for two

(Same chords as above for 2nd verse)

There's a silent whisper in my soul just now
And I know somehow He helps me hear
That the Spirit's calling me to spend some time
When I seek I find that He is near
So close the door, it's just me and my Lord
And there's just one thing left to do
I will meet my Maker, I will bend my knee
In this private temple built for two
