

## The Question

(capo on 3<sup>rd</sup> fret)

**Intro: Guitar melody in Dm**

**Dm**                    **C**  
I was fishin' with Didymus  
                  **BbMaj7**                    **Am7**                    **G**                    **Gsus**  
And with Zebedee's sons and a couple other ones from Galilee  
**Dm**                    **C**  
There at the sea of Tiberius  
                  **BbMaj7**                    **Am7**                    **G**  
I was casting my net; I was trying to forget what He said to me  
                  **F** **Em** **Dm** **C**  
"You're a fisher of men."

*(same chords as verse 1)*

Then a Man on the seashore  
He was walking along  
And with a voice like a song asked a question  
And when He learned that we had no fish  
He said, "Try it again.  
Maybe then you'll understand My lesson."

**Dm**  
What do you love?  
                  **C**  
Do you love Me?  
                  **F**  
What do you love?  
                  **G**                    **Dm**  
If you love Me, feed My lambs (4x)

*(same chords as above)*

When I learned His identity  
Well, I jumped right in  
And I started to swim like the child in me  
I reached the land and He welcomed me  
With some fish and bread  
He was back from the dead and reminding me  
I'm a fisher of men

The others came and we drew the net  
And we all had to pull  
It was so overfull it was breaking  
After breakfast and we all broke bread  
I could plainly see that His heart for me was aching

What do you love?  
Do you love Me?  
What do you love?  
If you love Me, feed My lambs
